**ORDER**

The plaintiff has moved the court to reconsider its denial of his “emergency motion for discovery re-urged as it relates to race and cultural identity.” Dkts. 152, 154, 156. Because the plaintiff has not shown how the discovery he seeks is reasonably calculated to lead to the discovery of admissible evidence on his sole remaining claim—a facial sex-discrimination challenge to the district’s grooming policy—his motion for reconsideration is denied.

Signed on Galveston Island this 12th day of February, 2025.
